

SatisFacts Award Winning Properties

Congratulations on being a Resident Satisfaction award winner! Below is a list of communities who earned an award winning score in 2016 for their Insite Survey. Please use this list to identify whom to send awards to. Please also note awards will arrive within 2-3 weeks to your company headquarters. The guidelines are as follows:

Annual Surveys:

- A property score of at least 4.00 (These have been distributed at the time of survey completion, if applicable.)

Insite® Surveys:

- A combined score for all modules of 4.00 or higher and a minimum of 50 completed surveys.

CMC Insite Awards Winners:

Hunters Crossing, Huntington Lakes, Lake Crossing, Lakewood Villas, Mount Vernon Apartments, Spyglass, Williamsburg Village Apts

We suggest that the onsite team at each award winning community apply the cling to the leasing office door so that they can proudly promote being recognized for the outstanding service they deliver to residents.

Congratulations!
